

## IMPORTANT NEWS!

The State of Arizona allows its taxpayers to contribute up to \$200.00 to public schools to support extracurricular activities and then deduct the entire amount from their state tax bills. Contributions may be made in increments throughout the year, or as a lump sum up to \$200 (or up to \$400 for married couples filing a joint return). Your donation will assist PPEP TEC High School in providing extracurricular activities for its students. It's easy; it's fast and everybody wins.

What is a tax credit? It is a dollar-for-dollar reduction in the actual tax you owe. For instance, if you owe \$800.00 in state taxes and you donate \$200.00 to PPEP TEC High School for extracurricular activities, you may subtract \$200.00 from your tax bill, paying the state \$600.00. This tax credit is available to all Arizona taxpayers whether they have children in school or not.

In order for you to be eligible to receive the school tax credit this year, you must make your donation by **December 31**. Use this convenient form to send your contribution today. Write your check to PPEP TEC High School and mail or deliver it, along with the completed form below, to:
