| Average teacher salary  |        |
|---|--------|
| Average salary of all teachers employed in the budget year 2026 | 52,230 |
| Average salary of all teachers employed in the prior year 2025  | 52,608 |
| Increase in average teacher salary from the prior year 2025     | (378)  |
| Percentage increase   | -0.7%  |

No Teacher Salary Increase is currently in this Proposed Budget as we are uncertain of any increase in Equalization payments from the State for SY 2026. We are hoping to have more clarity before the Adopted Budget is submitted. The slight decrease above from prior year is due primarily to a highly paid SPED teacher resigning in late 2025 that was replaced by a lower paid SPED position.
